In order to maintain the quality of education, our colleges have been accredited and re-accredited by the NAAC. We are proud to receive the Best Educational Institute Award of Government of Maharashtra in 2000. Indeed, this endeavor of ours has made the PDEA, the educational destination of the first choice for the students.

It is our endeavor to impart education which enhances the personality of our students, giving them the strength of character and intellect, which make them reliable and teaches them to be self-sufficient in this extremely competitive world. However, the most successful ones will be those who drive change!

As our motto has been rightly reflected in our action, At MPIM we cherish a spirit of inquiry & curiosity, assist students to gain knowledge, inculcate in them the value of sharing and integrity towards oneself and the community. The prime focus should be on metamorphosis and preparing them in such a way that they are ready for whatever challenges and obstacles that the industry and their job may bring to them. Our emphasize is on to enlarge Leadership and excellence that would be able to create a positive impact in the corporate world. The core values of the institute help the students to develop their overall personality and managers of par excellence to compete and work at global level.
